Business leaders continually feel Frustrated and Overcharged by the amount of time, money and energy spent on their workers compensation program. Face it! Shopping your insurance does not yield enough savings... Workers Compensation expert David Leng walks you through Cutting-Edge Strategies to dramatically reduce your workers compensation costs, control your cost drivers and improve your risk profile. Implementing these strategies has consistently reduced costs and premiums by an average of 23% in just one year and 52% over five years. Taking control of your workers compensation costs and premiums requires an understanding of what is driving costs as well as knowing how to make your business more attractive in the insurance marketplace. Workers Compensation doesn't have to be a frustrating time vacuum for business leaders and executives. David explores and illuminates concrete steps you can take to ensure that you, and not the insurance marketplace, has control of your workers compensation costs.
